Dear Parents/Carers,

## Sports Day

In spite of the rather soggy weather, our Sports Day was a huge success! A huge thank you to all parents/carers who supported the children, school staff and volunteers who helped the event to run so smoothly, and members of the PTA who provided refreshments.

## Strike Action

As you know, the teaching unions have published some additional dates for teachers to take strike action. The strikes are happening because of a national dispute between the Teaching Unions and the Government over pay and not because of any issues at our school. The dates are Wednesday 5<sup>th</sup> and Friday 7<sup>th</sup> July. At the moment we are not aware of any classes that are affected by the strikes, but will let you know as soon as possible if anything changes.

## Transition arrangements

In the last newsletter I shared with you our staffing arrangements for September 2023, so all the children now know who their teacher will be next year. Over the next few weeks we will be starting the transition process. This will include a session scheduled for Monday 17<sup>th</sup> July when each class will spend a short time with their next teacher and support staff, and each child will receive a letter from their new class teacher giving them information about next year. There will be additional transition arrangements for those who need it and for our younger children.

The Year 6 children who are moving to Holmes Chapel Comprehensive School in September will be visiting the school for a transition session on Tuesday 4<sup>th</sup> July. Children should be dropped off at HCCS by parents/carers. The Year 6 children who are moving to other high schools will be notified of the dates for their visits by the individual schools.

Our new Reception 2023 intake will be visiting us for a 'stay and play' session and a taster lunch next week.

## Parents' Survey

We would like to survey all parents as to their views about aspects of school life. Suggestions you make will be incorporated into our School Development Plan for the next academic year (September 2023 -24). Your views are vital to us in continuing to ensure we are delivering the quality of provision you would like for your children.

We would very much appreciate you taking the time to complete the questionnaire. It can be completed anonymously; the only specific information required being your child's current year group.

Please could surveys be completed by the end of the day on **Monday 10<sup>th</sup> July 2023** – results of the survey, together with any action we intend to take as a result of your views, will be shared with you, allowing us to continue to work together to ensure the very highest standards of schooling for all your children.

### Parent Governor Nominations

We recently asked for nominations for two Parent Governor vacancies. We would like to congratulate Richard Gregson and Naomi Mitchell who were elected unopposed.

### School Meals

Unfortunately, due to rising costs, we will be increasing the cost of a school meal to £2.35 from September 2023.

### Reminder School Attendance, including Persistent Absences and Holidays during Term Time

The government has a persistence absence threshold of 10%. The absence threshold of 10% means that if a pupil is absent for 38 sessions (19 days) of school, they are classified as persistently absent. Schools are urged to inform parents of this threshold and to advise parents that fines will be made for persistent absence, unless there is evidence of a justifiable reason for such absence, for example, significant illness. Failure to make payment will result in legal action for failure to ensure regular attendance at school under Section 444 (1) Education Act 1996.

Timeline	Penalty Charges
Paid within 21 days	£60 per parent per child
After 21 days and before 28 days	£120 per parent per child
After 28 days	The parent will receive a summons to appear before the Magistrate's Court on the grounds of having failed to secure their child/ children's regular attendance

As you are aware, I am not allowed to grant any leave of absence during term time, unless there are exceptional circumstances. An exceptional circumstance is usually a one-off, unique situation that is of significant emotional, educational or spiritual value which outweighs the loss of teaching time. It is my duty to strongly urge parents or carers to avoid booking holidays, appointments or visits overseas during term-time. In addition, it is important that I advise you that under the legislation there is an expectation that schools will issue a Fixed Penalty Notice to those parents who take their children on an unauthorised leave of absence (holiday) in term time.
