## Events in school

### Year 6 residential visit to The Dearne Valley

Last Wednesday, an excited Year 6 set off for Dearne Valley Outdoor Centre near Doncaster for their residential. Over the three days, the children experienced many different adventurous activities that stretched them outside their comfort zone. Everyone stepped up to the challenges and set themselves their own goals. The Year 6 staff - and the Dearne Valley staff - were impressed by the behaviour of our children. They did themselves and the school proud.

We hope that the children have now brought home and are putting into practise their room tidying and bed making skills!

### Decorating the dinosaur at Miola

Next time you visit the village centre, look out for the dinosaur at the Miola Café which has been decorated by Year 6! The children made and painted flowers from plastic bottles to make garlands of flowers.

### Year 4 music experience at The Bridgewater Hall

All year our Year 4 children have been learning to play an instrument (trumpet, trombone or clarinet) as part of the Wider Opportunities programme. Yesterday the children had the opportunity to go to The Bridgewater Hall to perform the musical pieces and songs they have learnt this year with the Halle orchestra and children from other schools across the region.

### Sporting success at the Aspire Educational Trust Football Tournament – written by James P and James R

Yesterday a team of 8 children from our school competed in the Aspire Educational Trust football tournament. It started off in the group stages with a 0-0 draw against Puss Bank Primary, followed by an outstanding performance leading to a 5-0 win against Ashgrove Primary. Later on in the group stages, we played Park Royal B team which finished with a 3-0 victory. We then took part in our final match of the group stages which was the toughest yet, but we managed to come out with another 0-0 draw thanks to our solid defence. Fortunately, we progressed to the semi-finals without conceding a single goal in the group stages. It came down to penalties in the semi-finals when James R, Evan M and Scarlett M all scored, but Scarlett's was the best as it went top left corner. We progressed to the finals and there we played the 2022 winners, Park Royal A team. We ended taking home gold and the trophy after winning 4-1 thanks to James R scoring a hat-trick. Thank you and congratulations to the whole team (James P, Enzo, James M, Tom L, Evan, Scarlett M, Riley B and the team captain James R), and thank you very much to Miss Kendall and Miss Clark.

**Holmes Chapel Library** – Cheshire East Council has launched a public consultation on a proposal to reduce the current opening hours of libraries across the borough so that all sites are closed for at least 1.5 days during the week and is now asking for feedback on how this could be implemented. The proposal follows the approval of the council's Medium Term Financial Strategy (MTFS) in February, which includes proposals for how the council will balance its budget for the next four years. The library service has asked us to share this information with you so that you can take part in the survey:-

## Reminder School Attendance, including Persistent Absences and Holidays during Term Time

The government has a persistence absence threshold of 10%. The absence threshold of 10% means that if a pupil is absent for 38 sessions (19 days) of school, they are classified as persistently absent. Schools are urged to inform parents of this threshold and to advise parents that fines will be made for persistent absence, unless there is evidence of a justifiable reason for such absence, for example, significant illness. Failure to make payment will result in legal action for failure to ensure regular attendance at school under Section 444 (1) Education Act 1996.

Timeline	Penalty Charges
Paid within 21 days	£60 per parent per child
After 21 days and before 28 days	£120 per parent per child

After 28 days	The parent will receive a summons to appear before the Magistrate's Court on the grounds of having failed to secure their child/ children's regular attendance
---------------	--

As you are aware, I am not allowed to grant any leave of absence during term time, unless there are exceptional circumstances. An exceptional circumstance is usually a one-off, unique situation that is of significant emotional, educational or spiritual value which outweighs the loss of teaching time. It is my duty to strongly urge parents or carers to avoid booking holidays, appointments or visits overseas during term-time. In addition, it is important that I advise you that under the legislation there is an expectation that schools will issue a Fixed Penalty Notice to those parents who take their children on an unauthorised leave of absence (holiday) in term time.
